

- **More than 400 exhibitors from 20 countries and regions**
- **Professional purchasers and end-user purchasing groups of the entire value-added chain on site**
- **Rich concurrent events, more than 30 high-end forums and conferences**

Motor & Magnetic Expo 2018 covered an area of 15,000 square meters with 360 exhibitors join in. Famous domestic and overseas exhibitors and buyers were from 20 countries and regions, such as China, Thailand, Italy, India, Japan, the United States, Germany, Taiwan, Hong Kong, etc.

There were more than 16,000 professional visitors. Meanwhile, group visitors came to visit and communicate with each other, including HUAWEI, Foxconn, Johnson Electric, Toyota, Midea Group, Gree, Zhuhai Kaibang Motor, CCL MOTORS, Galanz, DJI-Innovations, MIJIA (MIUI Smart Home), Emerson, OMRON, Honeywell, Sunlord Electronics, BYD, Deli, West Maple House New Energy Technology Ltd., SUMIDA, QXMOTOR, etc.

The 17th Shenzhen (China) International Small Motor, Electric Machinery & Magnetic Materials Exhibition (Motor & Magnetic Expo for short), 2019 Shenzhen (China) International Coil Winding, Electronic Transformer & Insulation Materials Exhibition (CWEXPO for short) will be held at the Shenzhen Convention & Exhibition Center on May 8-10, 2019 and more than 30 conferences and forums will be held during the same period. It is a unique exhibition of industry approved by UFI (The Global Association of the Exhibition Industry). This exhibition will continue to have a deep cooperation with National Engineering Research Center for Small and Special Precision Motors, collaborate with industry association, academy and related organization to build a superior industry platform. It is a domestic brand exhibition in the industry and it is a must-attend exhibition for enterprises to exchange and cooperate.

EXHIBIT SCOPE

All Kinds of Electric Motors: electric motors for household appliances, automobiles, industrial automation, office automation, electric cars, communication sets, audio-visual digital products, telecommunication, financial equipment, aerospace and military, smart home, medical devices, computer, toys, light industrial machinery, robot and many other motors and new technology;

Manufacturing and Testing Equipment: winding machines, magnetizing apparatus, electric welding machines, punching machines, dipping machines, wrapping machines, inserting machines, soldering machines, motor drive control system, design software, systems and testing equipment;

Accessories and Components: bearing, commutator, stator, rotor, fan, sensors, shell, carbon brush, thermal protector, power line, connector, electron component, all kinds of motors auxiliary products such as tensioners and pneumatic scissors, etc.

All Kinds of Materials: permanent magnetic materials, soft magnetic materials,

non-crystalline materials, insulated materials, electromagnetic materials, etc.

All Kinds of Magnetic Products and Manufacturing and Testing Equipment: Cutting Machine, Slicing Machine, Dry Powder Press, Welding Furnace, Mixer, Ball Mill, Coating Equipment, Appearance Defect Detection Equipment, Laser Particle Size Analyzer, X Fluorescence Analyzer, and the related auxiliary products, etc.

PROFESSIONAL VISITORS AND BUYERS

Motor, household appliance and industrial electrical equipment, automobile, industrial automatic equipment, office automation, power supply, transformers, coil, electrical equipment, electron, electroacoustic device, radiator, machine tool, dies, flexible unit, mobile phone, digital products, IT, electric tool, toys, smart household, instrument and meter, medical equipment, fitness equipment, lamps and lanterns, aerospace, Military equipment, printing, packaging machinery, application industry association, importers and exporters, kinds of research personnel, etc.

CONCURRENT EVENTS AND EXHIBITIONS

- 2019 Shenzhen (China) International New Energy Vehicle Electric Control Exhibition
- 2019 Shenzhen (China) International Powder Metallurgy and Cemented Carbide Exhibition
- 2019 Small Motor & Magnetic Materials Industry Development Summit
- 2019 Shenzhen International Small Motor & Magnetic Materials New Products and Technology Promotion Conference
- China Magnetic Materials Industry Development Forum
- Invitation to the 4th Motor Salon
- Trade meeting for both sides-Field trip inspection activities for enterprise production line
- Shenzhen (China) International Electronic Transformer Manufacturing Technology Forum
- China (Shenzhen) International Coil Winding New Technology and Product Promotion Conference
- China (Shenzhen) Laser and Intelligent Manufacturing Fair
